Guide to Login and Popup Blocker Setting

Step 2: Type-in your username as your email id and password, click on **Login** button

Step 3: you may see the requirement page, where you may see **X** for popup blocker.

Popup must be allowed to see your content on screen.

If you do not see this X, then just click on continue.

EducoSoft [™] education @ your fingertips					
Your system does not meet some of the requirements for using EducoSoft. Please check the items marked 'x' and follow the instructions given in the comment column.					
Requirement					
Operating System	Windows 10	 Meets the requirement. 			
Browser	Chrome 92	 Meets the requirement. 			
Resolution	1366x768	 Meets the requirement.
